How does one know if a product is "copycat"? How can a "copycat" product get a fast track to success? Is there a certain way to copycat? Is there a formula? How can I copycat without being obvious? These are the questions I will attempt to answer in this copycat marketing book. The book begins by telling you how to tell the difference between a copycat product and a legitimate product. It then outlines the 6 steps to a successful product. Next it outlines the 6 key points of a copycat product. Finally it outlines the 5 ways to copycat a product without being obvious. When done properly a copycat can potentially be a success. To get the edge over your competition a copycat needs to follow 5 simple steps: 1. Know how your customers think; 2. Know your competition; 3. Know your customers and know your competition; 4. Know your competition; 5. Know your competition. The book is a great resource to learn copycat marketing. How to Sell More Soda in Your Park - Part 2 Burke Hedges (13-02-2013) Note: This is a podcast of the book. In it, the author talks about how to market more soda in your park. Links are provided for those who may have difficulty playing the audio. This will be added to the future ebook version of this book. 04 06 Burke Hedges (12-06-2013) Note: This is a podcast of the book. In it, the author talks about a product he sold in the mid-2000's. The product was the hero bathroom. This is also the largest product he has ever sold. Links are provided for those who may have difficulty playing the audio. This will be added to the future ebook version of this book. 09 14 Burke Hedges (06-05-2013) Note: This is a podcast of the book. In it, the author talks about a product he sold in the mid-2000's. The product was the hero bathroom. This is also the largest product he has ever sold. Links are provided for those who may have difficulty playing the audio.
